

T-Level Animal Care & Management students

Are you looking for a fun way to collect your T-level Animal Care & Management Industry Placement hours?

Why not join us in the KwaZulu-Natal South African bush for 12 days (84 h) for conservation, ecology & wildlife whilst adding to your IP hours?

Activities include; animal monitoring, bush walks, ecology, herpetology, viewing the 'big 5' at the beautiful Hluhluwe-Umfolozi Park, animal husbandry & more!

Dates available:

2nd year students - 26th Mar-4th Apr 27

1st year students - 7th Jul-21st Jul 27

FURTHER
INFORMATION

With only 8 students per trip, spaces are limited!

During the trip, you will be supervised & escorted from the UK by a land-based post-16 tutor (highly qualified, experienced & DBS checked). In SA you will work with highly skilled South African Level 3 Nature Guides & herpetologists.

Programme costs are £1,800 & includes authentic African bush accommodation, all food, in-bound transport, guides & activities (excluding flights, insurance & UK transport). You will need to book your own flights from Manchester or Heathrow to Durban, SA) but don't panic, details & help will be provided!

For more information: Amahle.Africa@outlook.com

All necessary T-level Industry Placement provider requirements, trip H & S, risk assessments & public liabilities will be provided.... (leave the boring stuff to us!)
